December 11, 2017

Parents and Guardians,

It is the time of year that we have to worry about the weather and getting to school safely.

This year Youngstown has decided to use the two-hour delay if they think the roads will be cleared and it will be safe to send the buses out. The buses will be at the stops two hours after your normal pick up time.

Always watch the bottom of your television screen, or listen to the radio in the morning to see if we are on a delay or closed.

Whatever is going to happen you will be notified on the television, radio and I will do a One Call to let you know if we are on delay or if we are closed. Please make sure your phone numbers are current with Mrs. Goss to ensure you get these important messages.

If there is snow on the ground the students may wear boots to school but they need to bring their shoes to change into.

Sincerely,

Mrs. McCullough
