

August 13, 2019

Dear Parents and Guardians,

We are working with a new Student Information System and Parent Alert System this school year. We were hoping to have it up and working before now. While I am sending you this letter, you still may receive a parent alert (automated one call and possibly a text) with the same information in the next couple days.

We are very excited as the beginning of the school year is quickly approaching. We have changed our meeting strategy a little this year. Kindergarten will have their parent meeting on Thursday, August 15th at 6:00pm in the kindergarten classroom. You are welcome to bring your little one to meet the teacher at this time.

We will have the General Opening Meeting on Monday, August 19th at 5:30pm in the lower church. At 6:15 you will head over to the classrooms, drop off supplies and get your opening packet from your child's teacher. Youngstown Bussing information including your pick up and drop off times along with locations will be included in the packet. This informal evening will replace the Open Book Nights of the past.

We are happy to announce that "all" children will receive breakfast and lunch free. We will order for everybody the first week, August 21st-23rd. However, the **food forms included in the packet for the last week of August and the month of September, MUST BE turned in the first day of school so we can place the order.** We order according to the forms turned in. We do not assume everybody will like the food provided everyday. Order for the days they like what is being served. The remaining forms in the packet need to be filled out and returned by Friday, August 23rd.

Start your child's school year off with a great beginning by attending these meetings, talking with the teachers and learning what the year holds for our students.

The Mom's & Dad's Club will have a gift basket to raffle off that evening. Every family attending the meeting will receive a ticket for the drawing.

Sincerely,

Betty McCullough  
Principal
