

SNS ZOOM ETIQUETTE

Find a quiet space: Go to a quiet room so that we are not interrupted by background noise.

Use your own name: When you sign on, you must use your first name as your display name.

Arrive on Time: We have a limited amount of time, so it is important to sign in at the scheduled time.

Come ready to work: This is just like a class, so you should be focused and have all materials with you. Leave your phone in another room.

Participate alone: While we love seeing your pets and your family, they are a distraction.

Stay muted: The teacher will give directions, and it is important that everyone is able to hear.

Use Headphones, if possible: Using headphones helps to cut out background noise. If you don't own headphones, that's ok!

Raise your Hand: If you would like to ask a question or add to the discussion, raise your hand and wait to be recognized. The teacher will give everyone a turn.

Do not change your background: Everyone is at home—it's ok if we see your dining room, living room, or bedroom.

Keep your camera on: Teachers miss you and like to see your face. They also like to see that you are focused on the speaker.

Be Respectful: This is a class, and you should act like you do at school. Use kind words, pay attention, and do not eat during your session.
