We ask that parents take their child's temperature at home. If their temperature is 100 or child is showing signs of illness, please keep child home.

_____ My child will ride the Youngstown City School Bus;

_____ My child will be a car rider

1. ALL students MUST HAVE A MASK ON to ride a Youngstown City School Bus;
2. There will be one to two aides for each bus who will take temperatures at the bus stop before students may board the bus;
3. An adult must be with student at bus stop in case they have a temperature. Adult will have to take child home if temperature is 100 or above;
4. One student per seat unless siblings - they can sit together;
5. As students are picked up, they will go to the back of the bus to alleviate other students passing children already seated in the front;
6. Students will exit the bus at school beginning with students seated in the front;
7. Students will have temperature taken before entering the school by school personnel;
8. Temperatures will be taken at dismissal by school personnel before students board the bus home at night.
